Sumana Sharma secured 92% marks in the Madhyamik Examination of 2017 from Radhanagar High School, Bankura. She lives with her parents and two other siblings. The only breadwinner for this family of five is the father works in a sweet shop located 7 kilometres away from the village, with meagre earnings. On certain days he also finds employment as a cook which means a slightly better daily earning. The monthly income is around Rs 3000. Despite such dire straits, Sumana has continued her studies and has performed remarkably well. She will be the first beneficiary of Srijan Sujana's initiative to extend financial assistance to students who are preparing for Higher Secondary Examinations. Srijan Sujana respects Sumana's merit and pledges its support in Sumana's quest for a brighter future.
